

Opportunity for Carer Support

This is a Quality Improvement opportunity to provide support to carers of people with dementia or cognitive impairment up to May 30, 2025.

In this program, carers will receive:

Carer participants inclusion criteria:

- Unpaid family carers (18 years old and above) for people with dementia/cognitive impairment.
- Care recipients are not in delirium.

Clinicians to consider-

- Participate in the iSupport training program.
- Apply in daily clinical practice.
- Participate in focus groups/interview at the end of the program.
